At this point you can logout; the following email will arrive shortly and you can process your update as per usual. It will also have your tax invoice attached, a sample of which appears below.

Please retain this for your records as it contains the references required in the event we have an issue with SecurePay.

Please find attached your invoice for the files you have purchased.

Your new Filepro Serial key is **PCENO-YMJT1-ZJC55-8EBE2-SJ2XB**

To implement the code

- Copy the code from this email
- Go to System and select 'Buy/Distribute Files'
- Click on the 'Add' button at the bottom
- Click on the 'Update Serial' button
- Paste the new code
- Type in '50' as the number of files purchased
- Click on OK

You should get the message 'Update Successful' and you have another 50 files available
